Overall plan features			
Personal Care Account			
In January, the Health Plan funds a PCA members can use for covered medical services. Members are covered 100% until the PCA is exhausted.			**PCA rollover** As long as you remain in this plan, any unused balance in your PCA at the end of the calendar year may be rolled over to subsequent years. The maximum amount allowed in your PCA balance in any given year is $5,000 Self Only and $10,000 Self Plus One and Self and Family.
Self Only	$1,200		
Self Plus One	$2,400		
Self and Family	$2,400		
Net deductible			
	In-network	**Out-of-network**	**Coinsurance** Once the deductible is met, you pay coinsurance for in- or out-of-network services and prescription drugs. A deductible is the amount the member pays before carrier begins to pay.
Self Only	$1,000	$1,500	
Self Plus One	$2,000	$3,000	
Self and Family	$2,000	$3,000	
Out-of-pocket maximum			
Both medical and prescription drugs	**In-network**	**Out-of-network**	Because the unexpected happens, the plan has a built-in out-of-pocket maximum which, when reached, allows the rest of your annual health care costs to be paid at 100% (both medical and prescription drugs and PCA). PCA and net deductible expenses are included in accumulation of out-of-pocket expenses.
Self Only	$6,500	$13,000	
Self Plus One / Self and Family	$12,000	$24,000	

A Personal Care Account is an easy way to reduce your expenses.

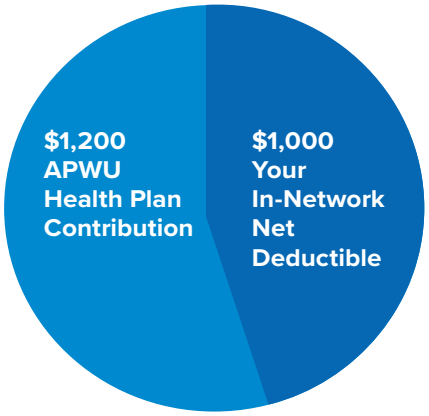
The Consumer Driven Option features a PCA that covers your health care expenses. In January, the plan funds your PCA at $1,200 per year for Self Only enrollment or $2,400 per year for Self Plus One or Self and Family enrollment. The Personal Care Account (PCA) helps cover your health care expenses, lowering any deductible you may have to pay.

Roll over unused funds in your PCA.

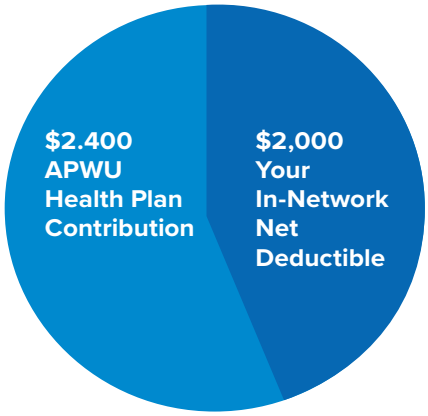
If you have money in your PCA at the end of the year, you can roll over the balance (up to the maximum allowed amount) to the next year, as long as you stay enrolled in this plan.

The Consumer Driven Option provides a flexible alternative to conventional health plans. The Personal Care Account (PCA) helps cover your health care expenses, lowering any deductible you may have to pay.

Self Only
$2,200 Plan Deductible



Self Plus One or Family
$4,400 Plan Deductible



How your PCA works

1

Your full PCA balance is available in January. Use your PCA for any eligible expense.

2

If you use up your PCA funds, you need to satisfy your annual net deductible.

3

After you satisfy the annual plan deductible, you pay coinsurance—a percentage of the cost of covered health care—and the plan pays the rest.

4

If you reach the out-of-pocket maximum, the plan pays 100% of your covered health care costs for the rest of the year.

THE PATH TO CAREER PREMIUMS FOR PSE'S

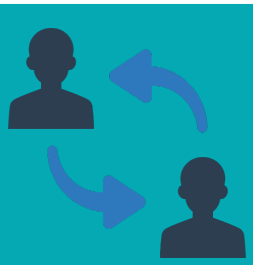
From the USPS plan and rate to the APWU Health Plan's Consumer Driven Option and Career Employee Rate

A PSE GETS HIRED

When hired, a PSE is only eligible for the USPS plan administered by UnitedHealthcare. The USPS Plan is not the APWU Health Plan's Consumer Driven Option plan.

ONE YEAR AS A PSE

When a PSE completes one year of service, they become eligible for the APWU Health Plan's Consumer Driven Option. The Consumer Driven Option is offered to a PSE at the non-postal rate. PSE's are eligible for other health plans in the FEHB Program but must pay the total amount of the premium cost for those other plans. With the Consumer Driven Option, the USPS is paying 75% of the premium.



CONVERTING TO CAREER

When a PSE converts to career status, the premium will continue to be non-postal for their first full year as a career employee in the FEHB Program. You have gained another coverage option. You are now also eligible for the High Option Plan under the APWU Health Plan. **Note**: One of the misunderstandings is that once a PSE converts to career status, they will get the APWU career rate. This is not the case. There is one more step to getting the career status rate.

CAREER FOR ONE YEAR

How do you get the dream career rate? During your first year as a career employee in the FEHB Program, you will pay the non-postal premium rate. You can become eligible for the APWU Career status rate when you complete one year of service as a career status employee along with one full year in the FEHB Program as a subscriber. **Congratulations, You made it!**

ENROLL NOW

As a Postal Support Employee, you can enroll in the APWU Consumer Driven Option Plan and the United States Postal Service pays 75% of the premium. With other plans, you would be responsible for paying 100% of the premium.

How to Enroll:
Fax your forms to 336-662-4073 or mail to:
Shared Services Benefits and Compensation

P.O. Box 970400
Greensboro, NC 27497-0400

Visit apwuhp.com and click on the "Enroll" tab. Under the "How to Enroll" section, select the Postal Support Employee link for details and downloadable forms.

You can also call PostalEASE at (877) 477-3273 (Option 5) and request a copy of the forms.

ENROLLMENT CODES

Self Only **474**
Self Plus One **476**
Self and Family **475**

TWO OPPORTUNITIES TO ENROLL

1. Enroll within **60 days** of completing your 360-day initial appointment
2. Enroll during **Open Season** after completing your 360-day initial appointment
