KICK SOME BUTT

YOUR PRESCRIPTION PLAN COVERS MEDICATIONS TO HELP YOU QUIT.

Did you know?

- Under the Affordable Care Act, your plan covers several types of treatments that are approved by the U.S. Food and Drug Administration (FDA).
- Nicotine-replacement therapies (NRT) – such as the patch, gum, spray or inhaler – are proven effective at helping people quit tobacco use.
- The success rate is significantly better when two types of NRTs are used.

Medications recommended and covered with $0 copay:
