

# It's time to take advantage of a Medicare Advantage plan designed for APWU Health Plan

APWU Health Plan is extending support to federal retirees or soon-to-be retirees with a new opportunity that includes an enhanced level of benefits beginning January 1, 2021. This plan is designed exclusively for APWU Health Plan and provides benefits and features that you may not get with your current health plan.

If you are currently enrolled in the APWU Health Plan High Option, are Medicare-eligible and enrolled in both Medicare Parts A and B, you can choose to enroll in the UnitedHealthcare® Group Medicare Advantage (PPO) plan. This is taken care of for you, no action needed.

## There's so much to take advantage of:

- No deductible, coinsurance or copays
- No need to coordinate primary and secondary payers
- Prescription drug coverage throughout the Gap stage and Catastrophic coverage stage
