Important Questions	Answers		Why This Matters:
What is the overall deductible?	In-Network: \$450 /Self Only \$800 /Self Plus One \$800 /Self Plus Family	Out-of-Network: \$1,000 /Self Only \$2,000 /Self Plus One \$2,000 /Self Plus Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible.
Are there services covered before you meet your deductible?	Yes: Preventive services, office visits, virtual visits, urgent care, prescription drugs, maternity, some lab work, hearing aids, chiropractic care and acupuncture.		This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . Services must be performed at an in-network provider.
Are there other deductibles for specific services?	No.		You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	In-Network: \$6,500 /Self Only \$13,000 /Self Plus One and Self Plus Family	Out-of-Network: \$12,000 /Self Only \$24,000 /Self Plus One and Self Plus Family	The out-of-pocket limit , or catastrophic maximum, is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, non-covered services and balanced billed charges, \$300 pre-admission for non-PPO.		Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.apwuhp.com or call 1-800-222-APWU for a list of network providers .		This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). You are protected under the No Surprises Act and will not be balance billed for services that fall under this law.
Do you need a referral to see a specialist?	No.		You can see the specialist you choose without permission from this plan.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
