APWU
HEALTH PLAN

Dental Insurance Plan for APWU Members Only

This plan is only open for enrollment during the APWU Health Plan Open Season.

The Dental Plan is an indemnity plan. Under this program, after the deductible has been satisfied, covered services are reimbursed as a percentage of the "Reasonable and Customary" charges for that service in the same geographical area where the charge is incurred.

OBTAIN SERVICES FROM ANY DENTIST

Under this program, insured members may use any dentist they choose. If you were previously a member of a dental plan requiring the use of a specific dentist, you may continue to use that dentist if you so choose, but it is not a requirement of the Group Dental Plan.

ELIGIBILITY

All members in good standing, including Active / PSE (working at least 20 hours a week) and Retiree / Associate dues-paying APWU members are eligible to enroll. An eligible dependent is your lawful spouse or domestic partner and any unmarried dependent children whom you support up to age 26. (Subject to state variations).

DEDUCTIBLE AMOUNT

The Deductible is the expense that each insured person must incur each calendar year before any benefits are paid. There is no deductible for Type I benefits. A \$50 deductible per person applies to the Type II and Type III Benefits combined.

If during a calendar year, insured persons of a family incur Covered Charges which are used to reduce the cash deductible and equal at least 3 times the individual deductible, no individual deductible will be required for any other insured person of that family during that calendar year. The charges that each family member may use to reduce the family deductible may not exceed that individual deductible for each person.

CALENDAR YEAR MAXIMUM

The maximum amount payable for all Eligible Dental Expenses in any calendar year is \$20,000 per person for all covered services. "Calendar year" is generally understood to mean January 1 through December 31. If someone's effective date of coverage is not January 1, the 12 month period beginning on their effective date of coverage would not be a "Calendar year".

REASONABLE & CUSTOMARY

R&C fee refers to the Reasonable and Customary (R&C) charge, which is based on the lowest of 1) the dentist's actual charge, 2) the dentist's usual charge for the same or similar services or 3) the usual charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

WAITING PERIOD

The period of time the insured person must be continuously covered under the group policy before the insured is entitled to be reimbursed for covered dental charges. There is no waiting period for Type 1 or Type 2 benefits.

ELIGIBLE EXPENSES

Expenses must be incurred while the group policy is in force and the person is covered by the Policy. To be an Eligible Expense, the dental service must be performed by : (1) a licensed Dentist acting within the scope of his/her license; (2) a licensed dental hygienist acting under the supervision and direction of a Dentist. Any amount of eligible expense incurred which exceeds the "Reasonable and Customary" amount will not be covered.

Coverage will become effective on the first day of the period your first premium is received following the date of approval. Active / PSE members: You must be actively at work on the date the insurance is to take effect. If you are not, the insurance will take effect on the day you return to work. Dependent spouses/domestic partners and children, if enrolling, must not be hospitalized on the date the insurance is to take effect. If they are, the insurance will take effect on the day after they have been discharged.

DATE INSURANCE ENDS

This coverage will end on the earliest following date: when the group policy ends or when the premium is not paid when due. Coverage for dependents will end at the earliest of: the date the member's insurance ends, the date the insurance ends under the group policy; the date the person ceases to be a dependent; or if premium is not paid for the dependent when due.
