January 2020 Preferred Drug List Exclusions

The medications covered on this list are not covered by the CDH plan. In most cases, if you fill a prescription for one of these drugs, you will pay the full price of the medication.

Take action to avoid paying full price. If you are currently utilizing one of the excluded medications, please ask your doctor to consider writing you a new prescription for one of the preferred alternatives. Compare drug prices at www.myuhc.com® or the **UnitedHealthcare™** Mobile App.
