

Incentives to APWU Local, State and Chapter Organization

Introduction: During Open Season, every local will be financially rewarded for APWU Health Plan growth within their local. Each local will have two opportunities to earn rewards.

Baseline membership: Every APWU Local, State and Chapter Organization baseline for APWU Health Plan membership will be determined in September prior to FEHB Open Season.

Open Season calculation: Every APWU Local, State and Chapter Organization evaluation of the results of their efforts to increase APWU Health Plan membership and their eligibility for these incentives will be determined in April after the final results of the FEHB Open Season are received by the APWU Health Plan.

Opportunity 1 (New members): For every member an APWU Local, State and Chapter Organization increases in the APWU Health Plan as determined by taking the April count and subtracting the previous September's count as stated above, that organization will receive a cash payment from the APWU Secretary Treasurers Office of \$50.
