

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered healthcare services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure (71-004) that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the **FEHB Plan brochure**. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure and view the Glossary at www.apwuhp.com. You can call 1-800-222-2798 to request a copy of either document.

Important Questions	Answers		Why This Matters:
What is the Personal Care Account (PCA)?	\$1,200/Self Only \$2,400/Self Plus One \$2,400/Self and Family		Your PCA is funded by the Health Plan and is used to pay for covered services at 100%. Any unused amount rolls over annually up to a maximum PCA balance of \$5,000 Self Only/\$10,000 Self Plus One and Self and Family.
What is the overall <u>deductible</u> ?	In-Network Net-Deductible: \$1,000/Self Only \$2,000/Self Plus One \$2,000/Self and Family	Out-of-Network: Net-Deductible \$1,500/Self Only \$3,000/Self Plus One \$3,000/Self Plus Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes: In-network preventive care and maternity.		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered <u>preventive services</u> at: https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	In-Network: \$6,500 /Self Only \$13,000 /Self Plus One and Self Plus Family	Out-of-Network: \$12,000 /Self Only \$24,000/Self Plus One and Self Plus Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, non-covered services and <u>balanced billed charges</u> .		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.apwuhp.com/federal-member/find-provider/ Or call 800-222-2798 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
